**ACT II POPCORN
TOMATO CHILLI**

Give butter-doused popcorn a break, and enjoy your homebound movie marathon over new chat-pata-flavoured popcorn. The procedure remains fuss-free like before — cut, wait for it to pop, add seasoning and serve. The

Tomato Chilli seasoning gives the naturally flavoured popcorn an edge, with its zesty after-taste blended with a lingering masaledar and tangy taste.

FOR: Rs 13
AT: All supermarkets.
