Goodness of peanut butter

Sundrop, the market leaders in refined oil has forayed into bread spread segment with the launch of Sundrop Peanut Butter. Made from 90 per cent roasted peanuts, it has 25 per cent of protein in every serving with zero cholesterol and zero trans-fat. The peanut butter tastes great for its delicious peanut flavour and is an ideal nutrition mix for everyone in the family. An ideal bread spread, Sundrop Peanut Butter is 100 per cent vegetarian and as the company claims is a 'tasty way to grow up'. The product is available in plastic bottles of 500 gms and is priced Rs 99.
