CALORIE CONTROL

Want to keep a check on the amount of oil you consume? The new Sundrop SlimLite cooking spray ensures that your oil consumption remains minimal. The cooking spray gives consumers a low calorie way of cooking experience with only two calories per spray. It ensures that food does not stick to the utensil, thereby consuming lesser cooking medium and hence lesser calories. Priced at ₹200 for 141 gm pack, it's available in retail outlets across Delhi, Mumbai, Hyderabad, Bangalore, Kolkata, Chennai and Pune.
